### Beschreibung

As advocates of Berlin's unavoidably quirky and hedonistic atmosphere, we wanted to give something back to our beloved 'Kiez', thus OAK & ICE was born.

We've put our hearts and all the craftsmanship we could muster into providing a creative, open-minded space, creating much of what you see with our bare hands.

There are two possibilities to rent our space:

- 1) Entire Cafe // 140m2 // up to 85 guests // daily after 19:00
- 2) Exclusive Downstairs "Vorratskammer" // 45m2 // up to 30 guests // daily any time

Both spaces are furnished with comfortable seatings, lounge area with sofas and tables. In the underground "Vorratskammer" there is an open kitchen area which you are welcome to use. There are also 3 large tables combined into 1 long communal table which invites for dining together or running events / workshops.
