BESCHREIBUNG

The meyers in the heart of Ehrenfeld is a relaxed event location for 10-170 invited guests! The ideal place for birthdays, company parties, regular regulars' tables, Christmas parties, filming and other closed parties.
meyers birthdays are our core business. No matter how old you get, you won't stay sober that night. We open only for you and your guests, you have the whole place to yourselves and listen to your own music. Our rental prices are reasonable, we want to enable everyone to have a nice party. We do not require a minimum purchase. We don't care if you or your guests pay for the drinks, the main thing is to have a nice party!

meyers Partykeller invites you to stay as well. Less than 40 invited guests at the start? No problem, just party in the cellar and bowl yourselves into a good mood. A classic bowling alley in the style of the 70s, chicly decorated, well lit and with your favorite music. Suitable for company get-togethers after work, for bachelor parties, enthusiastic bowling freaks and all those who have ever wanted to miss out on 1 per mille.
meyer's light-flooded winter garden is perfect for a dignified start to the evening. A huge buffet, which you can either bring yourself or book with our in-house catering service, invites you to slam down. Ideal to create a proper basis for the evening. It is also perfect for hosting weddings and other special events.

meyers Kölschkneipe also provides you with fresh drinks. Wooden corner pubs in the style of the 70s are dead? Nonsense! Here, the Herrengedeck meets the Aperol Spritz, the freshly tapped Kölsch meets the craft import beer from Wallachia. You have a favorite Kölsch? No problem, I'll pour you anything you'd like upon request. No pesky brewery tie-ins available! By default, we serve our Kölsch favorite: Reissdorf!

What else do you serve? Everything to keep the happy guest happy: Darts ,karaoke, board games and of course a fancy foosball table. All at no extra charge, of course.

You want to have a look at the whole thing? No problem. Just mail me, alternatively you can also call.
